The mission philosophy of the UMOVIM program is to demonstrate Christ’s “Love in Action” by working **with** individuals and communities, so that they can become self-sufficient and have their relationship to God and neighbor restored. VIM teams bring the light back into the lives of those in need. The VIM program offers the opportunity for Christians to grow in their discipleship. It provides the theological foundation for missional living, while teaching the skills to partner with and to be culturally sensitive to the needs of those we serve.
